Richard Michael "Dick" Dull
Director of Athletics

Dick Dull is the chief administrator of an extremely successful Department of Intercollegiate Athletics. In his three years as the Director of Athletics the department has not only been successful in intercollegiate competition but has been financially stable operating in the black all three years.

Dull spent his first Christmas as Director of Athletics searching the nation for a Head Football Coach. His second Christmas on the job was spent in Hawaii as Bobby Ross took the Terps to the initial Aloha Bowl for a Christmas Day game against Washington. He was able to relax while celebrating the third as he had just returned with Ross and the football team from the Florida Citrus Bowl.

He has the responsibility for a self supporting department of the University with a six million dollar budget. In addition to supporting 22 varsity teams the department is responsible for the operation and maintenance of an 18 hole golf course and driving range. Other facilities the department is responsible for include Cole Field House, Byrd Stadium, Shipley Field, two football practice fields and an artificial turf all-purpose practice field. In addition there are facilities for Intercollegiate Soccer and Lacrosse, Women's Field Hockey and Lacrosse and Tennis courts for men and women. The department has over 90 employees.

In 1983-84 the Terrapins won the ACC Championship in both football and basketball and the basketball team landed a berth in the NCAA Championships for the second consecutive year. The women's basketball team made their third consecutive trip to the NCAA Championships and the women's lacrosse team played in the National Championship game.

While looking ahead to another successful year in 1984-85 Dull has resisted attempts by several major universities to lure him from College Park. At 39 he has become recognized as one of the top administrators in intercollegiate athletics.

Dull assumed the duties of Director of Athletics on August 1, 1981. He was appointed by the Board of Regents on June 19,1981.

He was well qualified for the position taking over a department that he had worked his way through, beginning as a student athlete in 1964.

Despite rising prices, especially in the areas of equipment, medical care, insurance, travel and scholarships and competition for the entertainment dollar, he has maintained financial solvency.

The outlook for 1983-84 is bright. An aggressive promotional program, successful fund raising program, successful recruiting ventures and exciting competition against the best teams available all contribute to expectations for another year of national rankings and a balanced budget.

Since joining the Maryland Athletic Department Dull's duties have encompassed everything from coaching on the field to scheduling, supervision and administration of all non-revenue sports, serving as liaison with the Office of Financial Aid, supervision and administration of the Business Office of Intercollegiate Athletics and he reorganized the former Department of Women's Intercollegiate Athletics into the Office of Non-Revenue Sports.

Since taking over as Athletic Director he has reorganized the promotions department and initiated new Athletic Department publications designed to whet the appetite of sports fans and athletes interested in Maryland athletics.

He initially came to Maryland as a student-athlete from Biglerville High in Pennsylvania. He received his Bachelor of Arts as a Political Science major in 1967 and then moved on to the Maryland School of Law.

He received his Doctor of Laws in 1971 and the experience gained as an Attorney at Law for four years contributed to his success and perseverance throughout the past three years.

As an undergraduate he was a champion javelin thrower for the Maryland Track and Field team. His best competitive throw was 251 feet.

He was Pennsylvania High School Champion in 1961, the Pennsylvania Jaycee State Champion in 1963 and the PIAA State runner-up in 1963. In 1965 he was the National Junior AAU Champion.

Among his many titles won while at Maryland are ACC Champion, Penn Relay Champion, and ACC-SEC Champion. He also placed eighth in the National AAU Championships and the NCAA Championhips.

As a javelin coach he produced two ACC Champions and an All-American, while also handling the academic affairs and administration of the Track team.

His Bar memberships include the Court of Appeals of Maryland and the Federal Court for District of Maryland.

He served from June 1971 to June 1973 as Attorney at Law. Legal Aid Bureau in Baltimore, Maryland and from June 1973 to January 1975 as Attorney at law with the University of Southern California, National Senior Citizens Law Center. While with USC he served for a period as the Acting Director of the Washington office.

His hobbies include photography, fishing and motor sports. He was born on July 1, 1945.

CHARLES G. "LEFTY" DRIESELL

"He finally won it and no one deserves it more than my Dad," exclaimed 23-year-old Pam Driesell after her Father had won his first ACC championship trophy after 15 tournament tries for it.

Five times he coached teams to the ACC championship game. Five times he lost — by 9 points, then 2, 3, 1 and 1 again. No coach in conference history had ever been left at the altar so many times. One of his defeats, a 103-100 overtime loss to national champion bound North Carolina State, even became known as the greatest ACC game ever played.

Sunday, March 10, 1984, Greensboro Coliseum, Greensboro, NC
ACC CHAMPIONSHIP
MARYLAND — 74 DUKE — 62 — "AMEN!"

With the ACC Championship trophy proudly displayed in his office and another top 10 national ranking etched in the record books, Driesell enters a milestone of sorts as he entertains his silver anniversary 25th year as a college coach this season, 15 at Maryland and 9 at Davidson. The "shootout" for his quest of a second straight ACC title and seventh NCAA participation with the Terps begins as Maryland opens the season in the Great Alaskan Shoot-out tournament in Anchorage, Alaska, November 23-25, drawing Kansas for the opening game.

Driesell, this season, could realize another monumental coaching milestone. If and when the Terps win a 20th game, it will be his 500th career victory. His 24-year mark reads 480 wins and only 199 losses for a 71% winning margin. This is 20.0 average wins a season. His 15-year total at the Maryland helm is 304 victories and 133 losses, a winning percentage of 70. This is 20.3 average wins a season. With the 1984-85 schedule surely the most ambitious in the 61-year history of Maryland basketball, the Terps will play a minimum 34 games. The 500th win is a goal Lefty and his team will be "shooting" for. His 15-year record indicates it could happen since the Terps have won 20 or more games in 9 of the 15 years.

Going into this season, Driesell remains No. 2 among major-college basketball coaches in winning percentage .710, with his 480-198 24-year record. His fellow ACC coach, North Carolina's Dean Smith is ranked No. 1.

In his 15 years at Maryland, his teams have been invited to play in either the NCAA playoffs or the NIT, 14 of those 15 years. He has been in the NCAA championship tournament nine times with a 12-10 record. His Davidson teams reached the East Regional Championship game twice, 1968 and 1969. The Terrapins played in the 1975 Midwest Regional title game.

Six of nine NCAA tournament losses came to teams who were in the final four. His Terps lost to National Champion Indiana in 1981, and to runner-up Houston in 1983. Louisville (3rd) and Providence (4th) defeated the Terps in 1975 and 1974. His Davidson teams lost to runner-up North Carolina in 1968 and again to the fourth place Tar Heels in 1969 (ironically, a 2-point loss in the Terps' Cole Field House).

The 1984 Terrapins played 21 regular season games against teams selected for post-season play and all seven regular season losses (five in the ACC) came to teams in post-season play.

Maryland had only one nationally ranked team in the history of Maryland basketball (1958), ironically the first and last Terrapin ACC championship until last year. The '58 team won 20 games and was ranked 6th nationally. No other team in the history of Maryland basketball since then had ever won 20 games or was nationally ranked until the Driesell era came to the horizon in 1969. Lefty has had five teams ranked in the final "Top Ten": 8th in 1973; 4th in 1974; 5th in 1975; 8th in 1980; and 10th in 1984. Two teams ranked 11th, 1972 and '76; one ranked 18th, 1981.

At Davidson, he had four teams ranked in the final "Top Ten": 10th, 6th, 8th, and 3rd, and two teams ranked in the final "Top 20": 16th and 18th. Davidson had never had a team that was nationally ranked in the history of the school and has not had a "Top Ten" ranked team since Driesell left there for Maryland, although the year he left (after the 1968-69 season) his team had a won-lost record of 27-3 and was ranked third in the final AP and UPI polls.

Under Driesell, Maryland has a 16-1 record against

International competition. Driesell and the Terps have hosted six National Teams in Cole Field House and have won all six games, including an overtime decision against the Russian National team. In addition, Maryland represented the United States in both the Eighth Intercontinental Cup Games in Mexico in 1974 and the Kirin World Cup Games in Japan in 1980, winning both championships.

Lefty has not had a losing season since his first year as a collegiate coach at Davidson, 1960-61. In the next 23 years, he has had teams ranked in the "Top 20", 14 times, and the "Top 10", nine times.

He took over the Davidson program in 1960 and his first team had the best record in five years. His second team had the first winning season at Davidson in 13 years and his third recorded the first 20 win season in 54 years of competition.

When he arrived in College Park in 1969, the Terps had suffered through three consecutive losing seasons and had only two 20 victory seasons in the history of the school, none in the last 11 years.

In his third year the Terrapins won 27 games and the National Invitational Tournament Championship. His Terps, in 15 years, have recorded nine 20 victory seasons and won 19 in two other years, for the 20.3 average wins per season. His 1972 team played 32 games with a 27-5 record. His 1975 team wa 24-5; the 1980 team 24-7, and the 1984 team, 24-8. No Maryland team had played more than 32 games in a season (the 1972 team 27-5) until last year's team. Only the 1980, 1981 teams played 31.

Driesell won his 100th game at Maryland against North Carolina 105-85 in the semi-finals of the 1974 NCAA tournament; his 200th over UMES in the opening game of the 1979-80 season and the 300th over Virginia in the final game of the 1984 regular season with millions watching his big win over NBC-TV national television. Wins 200 and 300 came in Cole Field House where his Terps are 188-38 including 13-2 last year.

His 1979-80 Terrapins were picked to finish 6th in the ACC but finished 1st with an 11-3 regular season conference record and an overall record of 24-7. Driesell was named the ACC Coach of the Year as well as District Coach of the Year. Albert King gained all-America honors and Buck Williams joined the Olympic team. King was named the ACC "Player of the Year" and the ACC Tournament "Most Valuable Player." They then went on to advance to the semi-finals of the NCAA Eastern Regionals. Greg Manning was named an Academic All-American after all-ACC Academic honors for the third consecutive year. Manning also led the ACC in both free throw shooting and field goal percentage, the first and still only time any ACC player has won both titles outright.

Driesell has coached two Rhodes Scholars in Danny Carrell at Davidson and the Terps' Tom McMillen. Both studied at Oxford. He also has developed three Phi Beta Kappas. McMillen was a three time Academic All-American and Manning achieved also, Academic All-American for the Terps.

In addition to Buck Williams' selection to the Olympic team, McMillen and Steve Sheppard were Olympic performers for the Terps.

Seven of Driesell's former Terrapins are now playing in the NBA with Brad Davis in Dallas, Len Elmore in New York, John Lucas, San Antonio, Buck Williams and Albert King, New Jersey Nets, Charles Pittman, Phoenix and McMillen, Washington Bullets. Three were drafted from last year's team: center Ben Coleman, 2nd round, Chicago Bulls; forwards Herman Veal and Mark Fothergill, Phoenix, 6th and 8th rounds.

Born on Christmas Day, 1931, Driesell has also been honored as a basketball player. A three-sport athlete at Granby High School in Norfolk, Va., he was named All-State in 1950 when his team won the Virginia State Championship. He was also named the outstanding player in the state tournament and received a scholarship to Duke.

He began his coaching career as the Junior Varsity Coach at Granby High School after graduating from Duke in 1954. He became Granby's Varsity Coach a year later but quickly advanced to Newport News High where his teams compiled a 57-game winning streak while winning 64 of 70 games. His overall high school record included 97 wins and only 15 losses. He also coached the junior varsity football team to two undefeated seasons.

At Duke, Driesell was a Dean's List student where he received his B.A. degree. He later received his Master's in Education at William and Mary College.

Among the many recognitions he has received, one of the most precious has to be the NCAA "Award of Valor". He became the first coach to receive the award when he helped save the lives of at least ten children and several adults from a townhouse fire near Bethany Beach, Delaware in 1973.

He recently was appointed to serve on the ACC Men's Basketball committee.

Driesell and his wife, Joyce, are the parents of three daughters, Patty, Pam, Carolyn and son Chuck, a senior on this year's Terrapin basketball team.

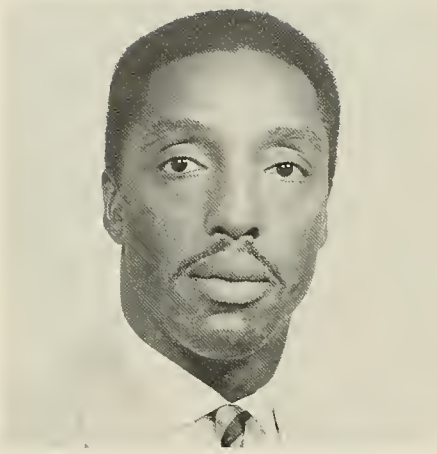
Terps Coaching Staff



SHERMAN DILLARD
James Madison '78

The senior member of Coach Driesell's staff, Sherman Dillard begins his sixth year as assistant coach for the Terrapins.

Dillard is a graduate of James Madison University. Upon graduation, he was the recipient of one of fifteen NCAA post graduate scholarships. He made the Dean's list as he accumulated a 3.7 grade point average on the 4.0 grade point scale. He graduated Magna Cum Laude, receiving his BS degree in Health and Physical Education. He minored in Business Administration.

Among his many academic honors he was also named to the National Honorary Fraternity Omicron Delta Kappa, symbolic of leadership.

An outstanding player for the Dukes of James Madison, Dillard tallied over 2,000 points in his four year career. He was chosen by the National Association of Basketball Coaches as an All-American while being named as Academic All American three years in a row. Dillard was a sixth round draft choice of the Indiana Pacers in the 1978 NBA Draft.

A native of Basset, Virginia, Dillard graduated from John D. Basset High School. A bachelor, he resides in New Carrollton, Maryland.

Mel Cartwright, a 25 year veteran of coaching championship high school teams, enters his fourth season with Driesell and the Terrapins. Driesell "recruited" Cartwright from Martinsville, Virginia High School where he compiled a most successful record in those 25 years.

At Martinsville, his teams provided him with the impressive mark of 143 victories and only a phenomenal 22 losses. During that head coaching career, his teams won three Virginia state titles and four regional championships. He resigned from the high school coaching ranks to become principal of a local elementary school until 1977 when he resumed coaching at Martinsville, this time as an assistant. In five years, Martinsville amassed 89 victories against 29 defeats, enroute to three district, three regional and two state titles.

Cartwright is a 1949 graduate of Western Illinois University. He received his Master's degree from the University of North Carolina in Administration, Social Studies and Physical Education in 1952.

He is the father of six children, three boys and three girls, ranging in age from 20 to 30. His sons, Mel, Mark and Michael all played basketball for Martinsville High, with Mel going on to play at Washington and Lee and Mark at Virginia Tech.

RON BRADLEY

For two years, Ron Bradley worked with the Terrapin basketball team as a volunteer coach while he studied for his doctoral degree in Sport Psychology. Following his being awarded his Doctor's degree, Driesell immediately added him to his staff as a full-time assistant last year. He came to College Park from Eastern Nazarene College in Quincy, Massachusetts where he was head coach of the Crusaders for five years, posting a 96-51 overall record. Ron was also a four year letterman at Eastern Nazarene (1968-1972), amassing 2,649 points in 107 games. He was named to the N.A.I.A. and N.C.A.A. All-American teams and in 1972 was drafted by the New York Nets. He received his B.A. in psychology and history from Eastern Nazarene and his M.S. in physical education at Bridgewater (MA) State College. Ron is married to the former Denise Smith of Salisbury, Maryland. They have a six-year old son, Brad.

24 ADRIAN BRANCH
6-8 Senior

Mr. and Mrs. Branch

Along with teammate Len Bias, the senior forward/guard is a legitimate All-Conference and All-America selection . . . He too was selected by The Sporting News pre-season All-America small forward checklist . . . Much of the Terps' success this season rests on the play of Branch whom Driesell always has and still does consider as one of the best one-on-one players in the game of basketball . . . In fact, often times the veteran coach calls Branch the "best" . . . He had a devastating sophomore year which brought him accolades and the "can't miss" tag . . . He was the Terps' leading scorer his freshman and sophomore years with a 15.2 average as a freshman, breaking All-American John Lucas' frosh mark of 425 points as Adrian hit for 442 . . . 11 CHUCK DRIESELL
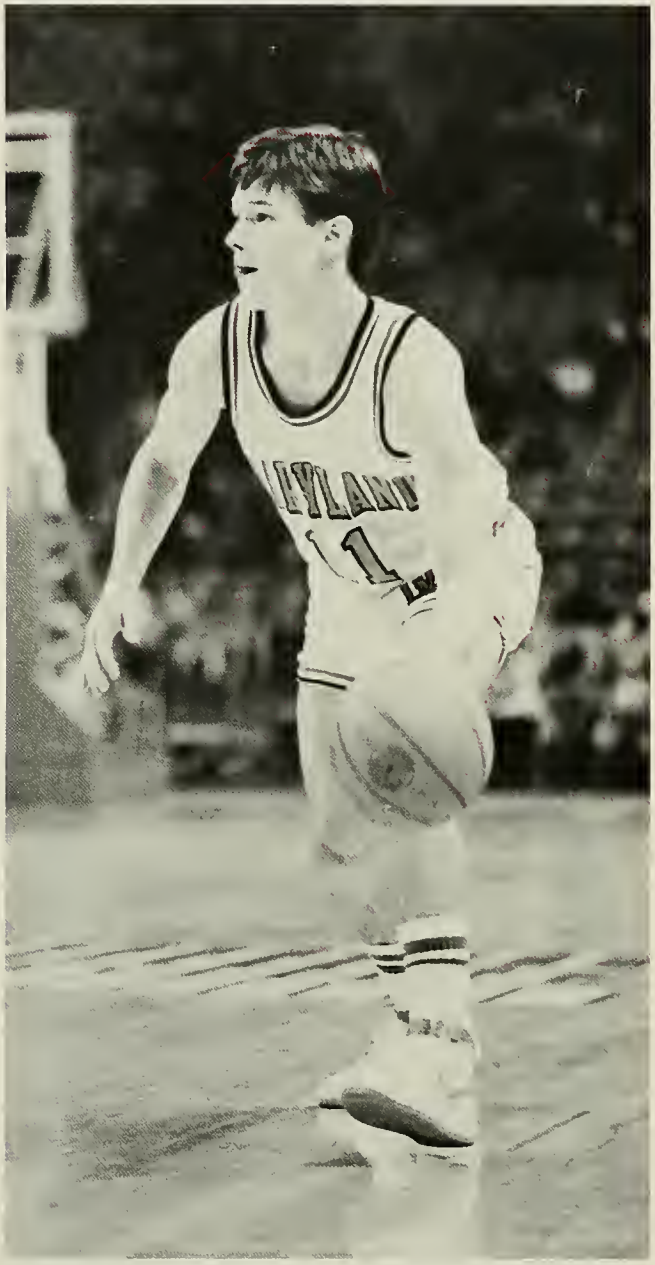
6-2 Senior



Mr. and Mrs. Driesell

One of the very few "Father-Son" Coach/Player combinations in all of collegiate athletics and surely a rare coincidence in college basketball, Chuck concludes playing for his Father "Lefty" and the Terrapins on the team that will defend the ACC championship they won for his Dad last year, winning the title over his alma mater, Duke . . . The veteran back-up guard used sparingly, hopes to play a great deal more this season so that he can make a lasting contribution to his and the teams' efforts to give his Dad the 500th win of this, his 25th year as a head coach . . . He now has 480 career victories . . . As the son of a basketball coach, the popular "Chuckie", as his thousands of delerious fans call him, was 7 years old when his Dad brought him from Charlotte and Davidson College to College Park . . . For the Terps, he played in 12 games his freshman year, 17 his second year and 15 last year . . . His 3-year scoring total is 69 points, with 34 of them scored last season . . . He has appeared in 44 games . . . His career high scoring for a game is 8, three times . . . In playing a season high of 7 minutes, he also had 2 rebounds and an assist . . . These 3 field goals and 2 foul shots for 8 points and an assist in 7 minutes is 8 points and 1 assist more than his Dad ever got in the NCAA's, Duke never being able to scratch past NC State in the ancient days when only the ACC champion advanced to the NCAA's . . . He hit 8 points against UMES his soph year then against last year's Johns Hopkins opener . . . During the summer of '84, he toured South America with the Athletes in Action . . . He had a seven point scoring average for 18 games. . . . The tour included six games in Mexico, five in Peru and eight in Brazil . . . A Business and

The much sought after and highly recruited point-guard was, after all, from the Tar Heel state of North Carolina and the little community of Grimesland . . . Another coup of Lefty's recruiting genius was hardly ever so heralded and applauded as he landed the state of North Carolina's high school "Player of the Year" . . . A most unusual recognition came along to Terry Long following the completion of his freshman year as a forward back-up on the Terrapin team . . . Team Physician

Dr. Stan Lavine has served as the Terrapin Team physician for all sports and has enabled many Maryland athletes to overcome injuries and not only perform at Maryland but go on to the professional ranks and excel.

Dr. John S. Toll

President

John S. Toll is a vital force for excellence in higher education in the State of Maryland and in the nation.

In 1978, when he became the 22nd president of the University it was his hope that "with a determined effort from everyone concerned, the University of Maryland can, in about a decade, become one of the best state university systems in the nation."

Now, on his sixth anniversary, a major national study has placed the University near that mark. The National Academy of Sciences evaluation of graduate education in the U.S. shows the departments of computer science, physics, math, art history, economics and electrical engineering among the top 10 public universities in scholarly quality of the faculty. Seven other programs ranked among the top 20. Of these the arts and humanities programs were also listed in the 10 most improved among public universities.

Growing confidence in the quality of the University has brought five gifts of $1,000,000 or more from individuals and organizations since Dr. Toll became president, and a gift of $5 million over the next three years from IBM. Membership in the Presidents Club (donors of $10,000 and above) has quadrupled to 511, and the number of alumni and friends who contribute to the annual fund has grown from 5,000 to 21,900.

Exceptional students, too, are recognizing the University's strong academic position. In six years there has been a six-fold increase in the number of National Merit and National Achievement winners coming to Maryland. 25 National Merit winners and 27 National Achievement winners are attending the University this fall. And, at a time when SAT scores of entering freshman were declining nationally, there has been a steady increase at Maryland.

Dr. Toll received his undergraduate degree in physics from Yale where he graduated with highest honors. His advanced physics degrees were earned at Princeton. An avid jogger, camper and tennis player, Dr. Toll and his wife Deborah have two daughters.

John Brooks Slaughter, the third Chancellor of the College Park Campus, is a distinguished scientist and a dedicated humanitarian as well as an able administrator. His research specialities are in the fields of electrical engineering and computer systems. His accomplishments in these fields have brought him high recognition. He is a Fellow in the Institute of Electrical and Electronic Engineers and the American Association for the Advancement of Science. He holds membership in the National Academy of Engineering, was selected U.C.L.A. Engineering Alumnus of the Year (1978), received the Distinguished Service Award from the National Science Foundation (1979), and was recognized for Distinguished Service in Engineering by Kansas State University (1981).

Dr. John Brooks Slaughter

Chancellor

Since his undergraduate days Dr. Slaughter has been active in humanitarian affairs. As chapter president of Zeta Sigma Lambda Chapter of Alpha Phi Alpha Fraternity, Inc., (San Diego) from 1957 to 1959 he participated in cultural, social, and educational activities directed toward the enhancement of the black community in San Diego. As president of the Board of Directors of the San Diego Urban League he was concerned with providing equal opportunities in education, employment, housing, and social services.

Prior to assuming his responsibilities at the University of Maryland he served as Academic Vice President and Provost at Washington State University and as Director of the National Science Foundation. In his inauguration address to the College Park campus on May 3, 1983, he set the course for his administration: "I want to see this campus continue its vigorous pursuit of academic excellence while reaching out to a more diversified student body. I want the University of Maryland at College Park to set a national standard for excellence and equality. As we pursue these goals, we must also enhance our contributions to the State. Finally, I am committed to a university that is a community — a community that takes pride in itself and touches each person involved in the campus with pride."

Over one half of all contributors did not attend the University of Maryland but all are strong supporters of Intercollegiate Athletics and its principals of competition.

The funds provided by the foundation have enabled the Terrapins to develop a Women's program that has also gained national recognition. All funds go to scholarships and the scholarship program for Women athletes is on a par with the program for men's non-revenue sports.

Terps' Radio Network

JOHNNY HOLLIDAY
(Voice of the Terrapins)

For the sixth consecutive season, the affable and very busy Johnny Holliday will call the play-by-play for the defending ACC champion Maryland Terrapins. He has handled the play calling of Maryland football the past six years also, all on radio 63 AM, WMAL. This is Johnny's 28th year as an announcer for both radio and television, his 23rd as a sportscaster.

The popular and talented Holliday's career was highlighted this year as the ABC Radio Network chose him to do the Olympic reports for ABC. He traveled to Insbruck to broadcast the Winter Olympics, then spent 3 weeks in Los Angeles doing the Summer portion of the Olympics for ABC Network and WMAL. For many years, he has been called upon by the network to call many major events including the Masters and U.S. Open Golf championships; title boxing matches; major league baseball, playoff games and the World Series; NFL and NBA reports and a lot more for the network and WMAL.

Johnny did the play-by-play for the Washington Federals on WMAL their two years of existence. He hosts the Stadium show from RFK before every Redskin game. He also will and has hosted the Bobby Ross and Lefty Driesell radio and television shows.

He does the morning sports broadcasts for WMAL then does the afternoon ABC Information Radio Network shows.

During his "spare" time, he roams the country doing television commercials for numerous companies and products. His facial and vocal presentations have become "infamous" with the Datsun commercial.

And Holliday "finds" time for charitable work. His Radio Oneders basketball and softball teams have raised over a million dollars the past 24 years. The basketball team features a number of the Redskins. He also emcees many banquets and charitable events, free of charge.

Cole Field House

Home of the Maryland Terrapins
Host of National and International Sporting Competition

Location, facilities, and a large sports oriented population makes Cole Field House and the University of Maryland a prime site for national and international sporting competition. Each year the fans of the Washington-Baltimore area are treated to sporting events ranging from the CYO-M Club Track Meet, featuring many world class stars, to gymnastics, and from basketball to ping pong.

In addition to being the home of Maryland Terrapin Basketball, Cole Field House has been the site of many other basketball games featuring teams from around the United States and from around the world. Twice, Cole Field House has been the site of the NCAA Basketball Finals. In 1966, Texas Western upset heavily favored Kentucky 72-65 in one of the most exciting games ever played in the NCAA finals. Four years later, in 1970, Cole Field House was again the site of the championship game. UCLA, trying to win its sixth national title in seven years, and its fourth in a row, defeated Jacksonville, 80-69.

The 1977 Eastern Regionals marked the sixth time that that event had been hosted by the University of Maryland. The field included Kentucky, North Carolina, Notre Dame and Virginia Military (VMI). Prior to that year, in an earlier Regional Contest held in Cole, North Carolina, using a 20-foot jump shot by Charlie Scott with two seconds on the clock defeated Davidson College, 87-85. Other victorious teams were Wake Forest in 1962 when the Deacons topped Villanova 76-69, Duke the following year, led by Tournament MVP Jeff Mullen, defeated St. Joseph's 73-59, Princeton in 1965 topped Providence 109-69 behind a 41 point effort by Bill Bradley, and in 1967 North Carolina defeated Boston College 96-80.

International basketball squads also have visited Cole Field House. Teams from the Soviet Union, Iceland, Israel, Chile, Italy, Yugoslavia and Poland have all played here. Women's basketball has also seen international competition in Cole. In 1976 teams representing Taiwan and the People's Republic of China played on the Maryland campus. Other Competition Held in Cole:

Gymnastics — Olga Korbut, Nellie Kim, Ludmilla Tourischeva and other members of the Soviet National Team have performed in Cole before packed houses.

Wrestling — Maryland has three times been the host for the NCAA Wrestling Championships, in 1960, 1972 and 1978.

Track — For many years Cole was the site of the CYO-M Club Invitational, one of the top indoor meets of the season featuring national and international stars.

Ping Pong — In April of 1972 the floor of Cole Field House was used for a ping pong match between a team from the United States and a team from the Peoples Republic of China. The match was the first sporting event held in the United States between the two nations.

Volleyball — In September of 1975 the National Volleyball team from the Soviet Union visited Cole Field House and met the United States National Team.

Terrapin Olympians

The ultimate individual reward in the world of intercollegiate athletics is to be named an All-American and to hopefully go on to represent the United States in international competition.

Three Terrapin basketball players have earned such berths on the prestigious United States Olympic Team, with all three being selected in the past three Olympic years.

Tom McMillen, who ranks as the number three career scorer in Maryland history, became the first Terp to represent his country. The three time All-American center for Coach Driesell, helped the 1972 U.S. Team, coached by Henry Iba, earn a Silver Medal.

A Rhodes Scholar and eight year veteran of the N.B.A., he is currently playing for the Washington Bullets.

Steve Sheppard, known to Maryland fans as "Bear," was selected to the 1976 Olympic team. An integral force in leading the Terps to three national rankings, he also provided that same force in helping the U.S. team, coached by Dean Smith, in its triumph of the Gold Medal in the '76 Games in Montreal.

Buck Williams, Maryland's tenacious power forward for three seasons was the last Terp honored, when he was chosen for the 1980 Olympic team. The team went on to a 4-2 record against various NBA All-Star teams and also defeated the Gold Medal winning 1976 team.

This first-round draft pick of the New Jersey Nets, third over-all, is Maryland's second all-time leading rebounder and is reckoned with in the N.B.A., after being named Rookie of the Year in 1981-82.

TERRAPIN NOTES

LEFTY SETS WINNING WAYS EARLY

Maryland has had only five basketball coaches in 60 years of competition and it took Driesell less than 13 years to establish himself as the winningest coach in Maryland history. H. Burton Shipley won 243 games in 24 years while Bud Millikan had 242 victories in 17 years. Flucie Stewart coached three years and Frank Fellows, two. At the close of his 13th year as Terrapin coach, Lefty had 260 wins. Now after 15 years, he has 304.

NATIONAL RANKINGS

In 24 years of coaching, Driesell has guided 14 teams to Top 20 national rankings. On 9 of these years, they have been in the Top 10.

FIELD GOAL % RECORDS

The 1983-84 Terrapins ranked 5th best in field goal %, hitting. Other top finishes in the nation for shooting accuracy were 2nd in 1974, (.510%), and 2nd in 1980, (.551%). They led the nation in 1976 with a .537% and set a new NCAA record in 1975 as they shot .547%.

IT'S NICE TO PLAY AT HOME

During his 15 years coaching in Cole Field House, Lefty's record shows a big advantage playing at home. The Terps have played 210 games and won 188 while losing only 38. This is a .832% winning mark.

"SWEET 16"

When Maryland advanced to the second round of the Mideast Regional last season to play Illinois, in Rupp Arena, it was the second time Lefty's teams had gone to the Sweet 16. They advanced there in 1980 to play Georgetown in the Spectrum.

13 POST SEASON TEAMS THIS YEAR — FOR SURE

This year's schedule highlights 13 teams that played in the NCAA and NIT tournaments. Terp opponents this year from the NCAA field include Duke, North Carolina, Virginia, Wake Forest, Alabama, Dayton, Nevada Las Vegas and West Virginia. The other NCAA entrant is Kansas, the Terps opener in the Great Alaskan Shootout over the Thanksgiving holidays. In the NIT were Georgia Tech, North Carolina State, Notre Dame, and Ohio State. Additional possibilities from the NCAA post season play are Alabama-Birmingham and Illinois in the Great Alaskan Shootout and Arkansas in the Rainbow Classic. From last year's NIT participants, Oregon and Tennessee are in the Alaskan Shootout and Iowa State in the Rainbow Classic.

NO TOBACCO ROW TEAM FOR TITLE THIS TIME

When the Terps won the ACC Championship with the 74-62 win over Duke, it marked only the fourth time that a school from outside the state of North Carolina had won the title. However, it was the third time that it was captured within the confines of the state. Maryland had also won the title (the only one until last year) in Raleigh, NC in 1958 and South Carolina won it in Greensboro in 1971. Virginia won the championship in 1976 in Landover, MD, the first time in the history of the ACC that the Championship game had been moved outside the state of North Carolina. It left Tobacco Row for the second time when it was played two years ago in Atlanta, GA.

ALL-TIME TERP CAREER SUCCESS

Albert King became Maryland's all-time leading scorer in 1981 with 2,058 points, passing John Lucas's 2,015. All of the top career scorers at Maryland are Driesell coached except Washington Bullet Coach Gene Shue, 1951-54 (1,397), 7th, and Bob Kessler, 1953-56 (1,256), 10th.

TERP PLAYERS PLAY RANKED

With pride, Driesell can impress a young recruit that every high school player he has recruited for the Terps since his coming to Maryland in 1969, has played on at least one nationally ranked team during their four year career. Also, in his nine years at Davidson, each player he recruited there, played on a Top 10 team.

THE BIG 3 OF ACC TOURNAMENTS

The Terps are only one of three teams in the ACC that have won over 10 ACC Tournament games in the past 10 years. Maryland has won 14 since 1973 while North Carolina has won 17 and Virginia, 10.

OVERTIME(S)

The Terps were involved in three overtime games during the 1983-84 season — or rather overtime(s). They played back-to-back double overtime games against Georgia Tech, 2/4 and Wake Forest, 2/8, both away and lost both. Then a triple overtime at Clemson 10 days later, 2/18, and a 67-66 win. It was the Terps' first triple overtime game since the 1978-79, 3-OT, 67-65 win over Rhode Island in the 1st round of the NIT. The only other in Lefty's 15 years at College Park was the 1977-78 season with the 3-OT victory over NC State in the 1st round of the ACC Tournament.

LEFTY WAS A GOOD GUY

Now hear this: Lefty was not whistled for a technical foul during the entire 1983-84 season. Clemson's Bill Foster, Duke's Mike Krzyzewski and Virginia's Terry Holland tied for technical fouls among the ACC coaches last year, each having 3 in the regular season. North Carolina's Dean Smith and Wake Forest's Carl Tacy had two each. Georgia Tech's Bobby Cremins had one.

TERPS AND CAVALIERS LOOK FORWARD TO IT

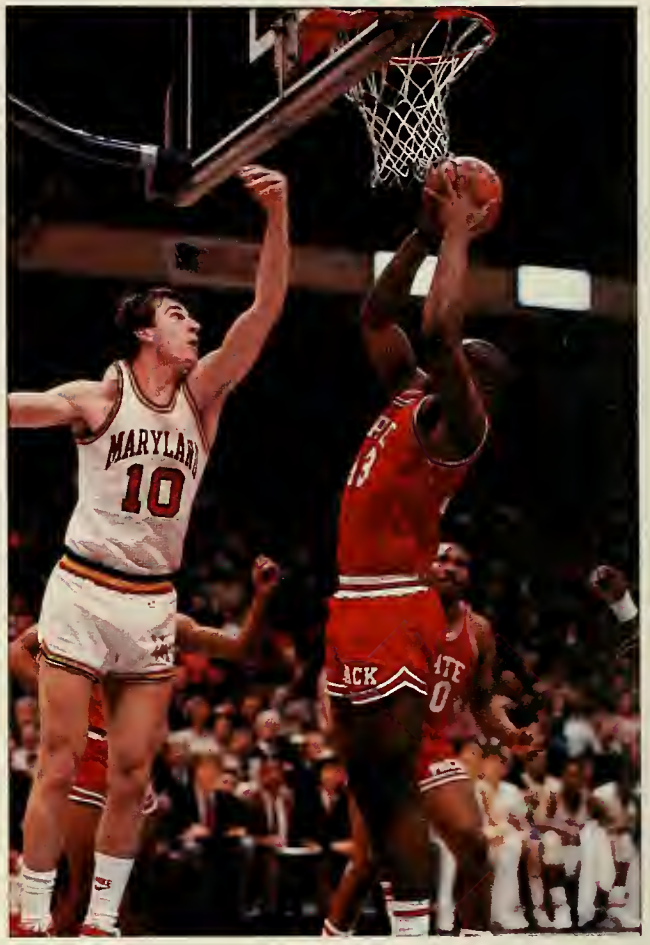
Maryland and Virginia have closed out the ACC regular season play the past 8 years, from the 1975-76 season, alternating home-away games. They'll do it again this year in Charlottesville, March 3.

"BIG COLE" BRINGS IN THE FANS

Nearly 2.5 million fans have come to Cole Field House to watch the Terps since Driesell took over 15 years ago. For the past 13 years Maryland has led the ACC in total attendance, over 200,000 fans per season and over 13,000 per game. The year before Driesell came to Maryland the Terps drew 66,500 for 10 games, an average of 6,650 per game.

49 A HALF

The 49 points scored by the Terps in the second half against Virginia in the final game of last season were the most scored by the Terps in a half in the regular season. Against the Terps, Duke and Wake Forest scored 49, Duke in the first half and Wake in the second half, both at Cole.



In the ACC championship game against Duke, they scored 47 points in the second half, 20 more than in the first half.

WINNING WAYS OUTSIDE ACC

Against non-conference opponents, Driesell has an amazing 178-31 win record in his 15 years for a .852 winning percent.

DRIESELL TWICE COACH OF THE YEAR

Driesell has twice been named ACC Coach of the Year. The first time came in 1975 when he led Maryland to a 24-5 record and a 5th place in the national rankings, along with the 1st place ACC finish. The second time came in 1980 when the Terrapins were ranked nationally in both AP and UPI polls with a 24-7 record.

7 ACTIVE IN THE NBA — 3 DRAFTED

Seven of Driesell's Terrapin players are now playing in the NBA: John Lucas, San Antonio; Brad Davis, Dallas; Buck Williams and Albert King, New Jersey Nets; Charles Pittman, Phoenix; Len Elmore, New York; and Tom McMillen, Washington. Elmore just retired to enter Harvard Law School.

Drafted this summer from last year's team were center Ben Coleman, 2nd round by the Chicago Bulls and Herman Veal, 6th round and Mark Fothergill, 8th round, both by Phoenix.

To The News Media

We hope the 1984-85 edition of Maryland Basketball will be helpful as you cover the Terrapins this winter. With this book goes an invitation to visit us as often as possible. Our offices are located in Cole Field House, room 1145.

Should you desire additional information, feature materials or photographs please address your requests to the Sports Information Office.

PLAYER INTERVIEWS: Contact the Sports Information Office for player interviews at least a day in advance and we will make every attempt to accommodate your request. All interview requests will be passed along to the Basketball office to assure the player keeping the appointment once it is scheduled.

Interview requests for Coach Driesell and his staff should be handled the same way.

HOME GAMES: A working press room is located one flight up from the rear entrance of Cole Field House. Electrical outlets are available there along with telephones. The sports information office will have two telecopiers but if you have a deadline to meet we would suggest you bring a telecopier along. We will send your copy at no charge on our machines based on deadline requirements. There may be a problem on a late TV game.

GAME SERVICES: Pre-game notes and updated statistics will be available prior to the games. A running play-by-play and full statistical summary sheets are distributed at halftime and after the game. Coaches' quotes are made available following all conference games.

POST GAME INTERVIEWS: Maryland will follow the ACC interview policy with the winning locker room open 10 minutes after the game to all press for 20 minutes. The locker room will then be cleared and the losing team locker room will open. The winning coach will meet the press outside the locker room 10 minutes after the game with the losing coach following same procedure when his locker room opens.

PRESS PARKING: Press parking is available on the North Side of Cole Field House on the promenade of Byrd Stadium.

WEEKLY PRESS LUNCHEONS: Every attempt will be made to hold a weekly luncheon in Cole Field House with Coach Driesell.
